

CDM 2015 and the Role of the Client

Introduction

The Construction (Design and Management) Regulations 2015 (CDM 2015) are designed to:

- Improve construction related health and safety management
- Have the right people for the right job at the right time to manage the risks on site
- Focus on effective planning and manage the risk - not the paperwork

This course gives an overview of CDM 2015 whilst focusing on the duties of the Client.

Course Duration

This is a one day workshop style course.

Who Should Attend

Any person or organisation who takes the role of client is advised to attend.

Course Programme

- CDM 2015 overview
- Client duties
- Appointment of duty holders and their respective responsibilities
- Pre-Construction Information
- Construction Phase Plan
- Management and control of contractors and subcontractors
- Safe systems of work
- Health and Safety File
- Workshops include:
 - Pre-Construction Information
 - Development of a Construction Phase Plan
 - Competence of duty holders

Certification and Assessment

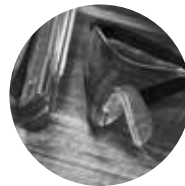

Delegates will receive an SSG certificate of attendance on completion.
