

# Working as a Team

## Essential HR and Employment Law Training

### Introduction

This module concentrates on team engagement and performance, working with real-life examples from the group of delegates. We provide you with the tools to conduct some analysis back in your workplace and give you confidence to think outside the box in order to boost team dynamics.

### Course Duration

SSG offer this module as part of a full or half day course.

### Who Should Attend

- SME Owners
- Directors and Senior Managers
- Team Leaders and Supervisors

### Course Programme

The course will be broken down into the following modules:

- Types of teams and their leadership requirements
- Identify individual roles within a team environment
- How to build and motivate a successful team

On completion of the course delegates will be able to:

- Identify different types of teams, their members and their leadership requirements (based on real-life examples)
- Understand the upsides and pitfalls of working in teams
- Confidently assemble task teams
- Devise engagement strategies for their teams

## Certification and Assessment

Attendance certificates will be issued after course completion and are valid for three years. It is recommended that certification is renewed every three years to ensure that those persons responsible are kept up to date with best practices.

## Suggested Follow on and Complementary Courses

This module can be combined with other subjects for a half or full day course. Please contact our Customer Service Team for more information.
